Actual expenses only shall be paid for travel under orders in Alaska and outside the limits of the United States in North America.

Unless otherwise expressly provided by law, no officer of the services mentioned in the title of this Act shall be allowed or paid any sum in excess of expenses actually incurred for subsistence while traveling on duty away from his designated post of duty, nor any sum for such expenses actually incurred in excess of \$7 per day. The heads of the executive departments concerned are authorized to prescribe per diem rates of allowance, not exceeding \$6, in lieu of subsistence to officers traveling on official business and away from their designated posts of duty: *Provided*, That for travel by air under competent orders on duty without troops, under regulations to be prescribed respectively by the heads of the departments concerned, members (including officers, warrant officers, contract surgeons, enlisted men, aviation cadets, and members of the Nurse Corps) of the services mentioned in the title of this Act, and of the legally constituted Reserves of said services while on active duty, and of the National Guard while in Federal service, or while participating in exercises, or performing duties under sections 92, 94, 97, or 99 of the National Defense Act, shall, in lieu of mileage or other travel allowances, be allowed and paid their actual and necessary traveling expenses not to exceed \$8 per day, or, in lieu thereof, per diem allowances at rates not to exceed \$6 per day.

The annual pay of a retired member of the Army Nurse Corps or the Navy Nurse Corps retired for other than physical disability shall be 3 per centum of the total annual active duty pay which she is receiving at the time of retirement multiplied by the number of complete years of service rendered prior to retirement, but not exceeding 75 per centum of such annual active-duty pay: *Provided*, That in computing the period of service for retired pay a fractional year of

six months or more shall be considered a full year: *Provided further*, That for the purpose of computing eligibility for retirement and retired pay, there shall be credited active service in the Army Nurse Corps and in the Navy Nurse Corps, active service as contract nurse prior to February 2, 1901, and service as a Reserve nurse on active duty since February 2, 1901.

SEC. 14. Officers, warrant officers, and enlisted men of the Reserve forces of any of the services mentioned in the title of this Act, when on active duty in the service of the United States, shall be entitled to receive the same pay and allowances as are authorized for persons of corresponding grade and length of service in the Regular Army, Navy, Marine Corps, Coast Guard, or Public Health Service.
